ABOUT ME

The BIGGEST Community-Driven AI Dog Meme Token

TECHNOLOGY

Er. Newfie Token is built on TON. The smart contract ensures secure, transparent, and efficient transactions without the need for a central authority.

UTILITY & FEATURES

Here's a sneak peek into my day – it's not just about naps and belly rubs. Here's how we're making a difference, one wag at a time.

MORNING WALK

Eco-Friendly Initiatives

First thing in the morning, we go for a walk and pick up trash to keep our parks clean. Our coin supports eco-friendly projects and encourages everyone to pitch in!

POOP TIME

Sustainability Projects

After my walk, it's time for a little business. We use biodegradable bags to keep things green. Our coin promotes sustainability by funding green tech and eco-friendly startups.

BONE TIME

Staking & Rewards

Then it's bone time! Hold onto your Er. Newfie coins to earn tasty rewards. Stake your coins and enjoy bone-us treats!

PLAY TIME

Community Challenges & Good Deeds

I love to play, especially when it involves helping others. Participate in community challenges to clean up local parks, plant trees, and help animal shelters. Earn rewards for every good deed!

NAP TIME

Supporting Animal Art & Culture

After all that fun, I take a nap. But even while I'm snoozing, we're supporting artists who create amazing animal-themed art. Check out our NFT marketplace for some paw-some creations.

COMMUNITY & GOVERNANCE

"I might be the face of this project, but it's really all about you! Join our pack and help make the big decisions. With our governance tokens, you get to vote on what we do next. From new features to charitable causes, you're in charge!"

ROADMAP

"Who needs a strict roadmap when you have the power of community? Everything we do depends on your ideas and votes. We're flexible, adaptable, and always ready for new adventures."

TOKENOMICS

TOTAL SUPPLY

10 Trillion Tokens

COMMUNITY FOCUSED

The majority of the tokens are allocated to the community, ensuring broad participation and decentralisation. Our goal is to empower our users and build a strong, engaged community.

NO RAISED FUNDS OR SELLING TOKENS

Everything we do is for the community, by the community. We're not raising funds or selling tokens. Instead, we're airdropping most of our tokens to our community members. This project is all about you, your ideas, and your support. Together, we can make a difference!

CONCLUSION

Thanks for stopping by and learning about the Er. Newfie coin. Together, we can make the world a better place for all creatures, big and small. Now, let's go fetch some success!
